Yeah, spoke with Vanessa, but we've also had several conversations with Daniel over the past 2 years.

The encampment issues they have are insane. I don't even think you can walk on sidewalks in some spots.

The Fig board discussed expanding that way, but decided against it as the area is very different than ours (industrial vs. commercial) and has a different set of issues. They would need a new BID for that area.

We're always open to discussing or meeting with them.

Thanks,
Aaron

Yes , Vanessa Alvarado may have reached out to you.

Anyhow we had a meeting with them this week and they brought up the idea for a bid.

Hi Aaron

I have a Property Owner that owns several properties on Broadway and Broadway Place they are interested in maybe starting a BID or business association along this corridor .

Would this be something you would be interested in exploring or open to meeting with them to discuss ??

Let me know ,
